WORK EXPERIENCE

SC Lowy

Hong Kong

Intern – Markets, Fixed Income Desk

Aug 2021 – Present

- **Restructured in-house trade databases** while **implementing new client relationship measures** to distill client activity into actionable information for senior management.
- **Supporting bond traders and research analysts** on extempore queries through **distressed/high-yield research** in primarily Asian credit markets.

Terraviva OS

Hong Kong | Spain

Partnerships Intern

Feb 2021 – Jun 2021

- Forecasted the financial feasibility of partnerships by analyzing data acquisition costs through the means of **modelling a dynamic scenario analysis**.
- **Sourced and secured US\$ 6mn from multiple global investors** for the firm's Series A funding round while working with the firm's Director of Growth.

Development Finance Asia

India | Hong Kong

Summer Investment Analyst

Jun 2020 – Aug 2020

- Performed **in-depth financial and operational due diligence on distressed assets** in the hospitality industry in SEA; collaborated with the team to help determine funding needs and ascertain synergy capabilities.
- Drafted client presentations, investment memos and due diligence materials while **assisting analysts on a US\$ 8mn preferred equity deal** in a private operator of renewable energy solutions.

American Express

India

Global Finance Summer Intern

Jul 2019 – Aug 2019

- Analyzed the tax-accrual process followed by American Express and simplified it by creating macro-enabled worksheets and articulating new formulae; leading to a **50% reduction in time spent on the process by junior analysts**.
- Created a financial landscape for the American Express Centurion Lounges to help **enable the process of rectification of errors**.

EXTRA CURRICULARS

Faculty of Business and Economics, HKU

Hong Kong

Development Economics Research Assistant

Jun 2021 – Present

- Examined the effect of informal interactions between international and local students on the **'Economics of Identity'** through **observational studies using natural experiments**.
- Advanced the project by **securing financial grants** to further accelerate the research; sought **appropriate ethical clearances** from concerned parties.

Investment Society H.K.U.S.U.

Hong Kong

Investment Research Advisor

Sep 2019 – Jun 2020

- Conducted **extensive research and analysis on various companies and investment products**; communicated and discussed these findings with the Investment Society in a monthly meeting.
- **Authored research reports and blogs** on several asset classes, **educating university students** about the markets.
